## Our mission ...

The mission of the Children's Center for the Visually Impaired (CCVI) is to prepare children with visual impairments, including those with multiple disabilities, to function at their highest potential in the sighted world.

## Who we are ...

Founded in 1952 as the Kansas City Nursery School for the Blind, CCVI offers specialized instruction for children who are blind or visually impaired. Our doors are open for any infant to school-age child whose visual impairment is significant enough to adversely affect his or her educational performance. Children and their parents come here to discover a truly unique, positive environment with innovative and stimulating programs customized for each student.

## Our programs ...

### Preschool and kindergarten.

These classes, for ages two through six, are designed to enhance basic skills while preparing children for inclusion in public or private elementary schools.

### Itinerant and consulting services.

This program fills the gap for students who have returned to their own school systems and face limited services.

### Infants.

Our Infant Program focuses on developing all senses by encouraging listening, smelling, touching and movement, and maximizing functional vision. In addition to infants and their families learning at the center, CCVI teachers and therapists provide in-home services and instruction.

Everyone says "time flies," but it seems to fly faster at CCVI. Wasn't it just yesterday we opened our doors for the 2010-2011 school year? Among our daily classroom and administrative activities we had fabulous field trips and fantastic fundraisers. What a year we had!

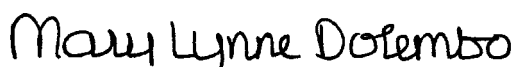

- Our staff of 58 educated over 362 children in three programs: the Infant Program, the Preschool and Kindergarten Program and the Itinerant/Consulting Program
- We honored five staff members who have served CCVI long and well:
  - 5 years: Becca Foster, Laurie Proulx and Terri LaManno
  - 10 years: Susan Belger Angulo
  - 30 years: Clare Flemington
- Our committed family of volunteers, friends, donors and staff raised 60% of our \$2.8 million budget to cover the needs of the CCVI children and families.
- We went through two national accreditation site visits within nine days and received the maximum five year accreditation from both national accrediting bodies (NAC and NAEYC).
- We collaborated with Alphapointe to provide low vision services for our Preschool 4 and Kindergarten students.
- We were selected as the beneficiary of the Kappa Kappa Gamma Alumnae Holiday Homes Tour.
- We welcomed UMKC Ophthalmology residents throughout the year.
- We enjoyed getting to know the Young Matrons of Kansas City as they helped us celebrate Dr. Seuss' Birthday in March and joined us for some summer fun in July.
- We were selected as the beneficiary of the Chiefs Charity Game for the 3rd and final year. We netted more than \$750,000 as the beneficiary of the 2009 and 2010 Chiefs Charity Game.
- We hit the streets for the Sabates Eye Centers Trolley Run with a record breaking 10,921 runners and walkers.

We shopped till we dropped at Holidays in Crestwood. We indulged in Food Fight 2. We golfed in the dark at the *Young Professionals* Hank Stram Charity Golf Tournament and wore our biggest hats to the Derby Day Party. Whew – we were busy!

- Our heartfelt thanks to the following for taking leadership positions:
  - Dolly Wood and Christina Bernstein, Trolley Run Co-Chairs
  - Stu and Dana Stram, 2010 Chiefs Charity Game Chairs
  - Bridget White, Holidays in Crestwood Chair
  - Meg Grandcolas and Heather Holder, CCVI Food Fight 2 Co-Chairs
  - Debbie Niemann, President, *Friends of CCVI*
  - Megan Thum, President, *CCVI Young Professionals*
  - Monte and Stephanie Overcast, Co-Presidents, Parent Group

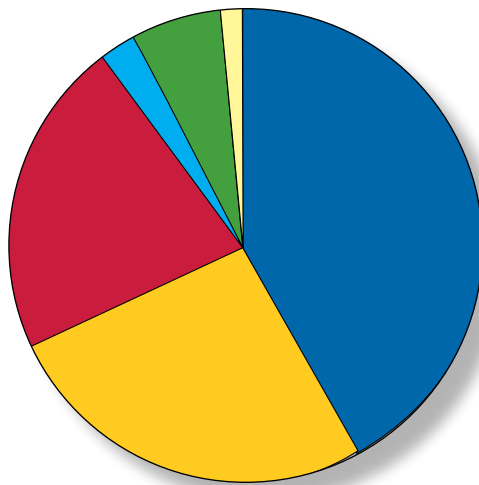

As always, many thanks to you for making it a great year for all of our children and their families!
